LETTER FROM THE CHAIRMAN

DEAR SHAREHOLDER

I am pleased to enclose the Notice of Meeting for the 2023 Annual General Meeting (AGM or Meeting) of WPP plc (WPP or the Company) which will be held at 11.00am on Wednesday 17 May 2023 at Rose Court, 2 Southwark Bridge Road, London SE1 9HS with facilities to follow the business of the AGM virtually.

BUSINESS OF THE AGM

The formal notice convening the AGM, which follows this letter on pages 3 to 5 of this document, sets out the business to be conducted at the Meeting.

As confirmed in the Annual Report, Nicole Seligman will not be standing for re-election at the AGM as she comes to the end of her tenure, after nine years on the Board. We thank Nicole for her outstanding commitment and invaluable contribution to the Board and its Committees throughout her tenure. Tarek Farahat will also not put himself forward for re-election to the Board at the AGM due to other commitments. On behalf of the Board, I thank Tarek for his contribution during his long service to the Board.

As recently announced, John Rogers will step down as CFO and from the Company and be succeeded by Joanne Wilson immediately following the announcement of the Company’s 2023 First Quarter Trading Update.

In accordance with the 2018 UK Corporate Governance Code (the Code), all of the other directors of the Company (Directors) will stand for re-election to the Board at the AGM, with the exception of Joanne Wilson, who is standing for election for the first time.

The Board considers that the contribution and skills of each of the Directors are, and continue to be, important to the long-term sustainable success of the Company and the Board recommends the election or re-election of all Directors. Biographies for each Director can be found in the explanatory notes to the resolutions on pages 6 to 14 of this document.

AGM ARRANGEMENTS

The AGM is an important event in the calendar for the Company and our shareholders. Following the success of previous meetings, we will again be offering shareholders the opportunity to follow the business of the AGM via a live webcast. This will allow shareholders to watch the presentations and ask questions during the Meeting, as they would if they were attending in person. Further details on how you can join us virtually and ask questions are set out on page 19 of this document.

Roberto Quarta
Chairman
In person admission is from 10.15am and light refreshments will be served after the Meeting. Should it become appropriate to revise the current arrangements for the AGM, any such changes will be notified to shareholders through the Company’s website, wpp.com, and, where appropriate, by announcement made by the Company to a Regulatory Information Service.

RECOMMENDATION
Your Board considers that the resolutions set out on pages 3 to 5 of this document are in the best interests of the Company and its shareholders as a whole and recommends that shareholders vote ‘FOR’ each of the resolutions as the Directors intend to do in respect of their own beneficial shareholdings (other than in respect of those matters in which they are interested) in the Company.

Your Board appreciates your continuing support.

Roberto Quarta
Chairman

Resolutions 19 to 21 will be proposed as special resolutions that will be passed if not less than two-thirds of the votes cast are in favour of the particular resolution.

Voting on all resolutions at the AGM will be by way of a poll rather than a show of hands. This reflects best practice and means that all the votes cast, and not just those of the shareholders present, are taken into account.

The poll results will be notified to the FCA and published on the Company’s website wpp.com/investors as soon as possible after the conclusion of the Meeting.

RESOLUTION 1: REPORT AND ACCOUNTS
The Directors must present to shareholders at the Annual General Meeting the report of the Directors and the accounts of the Company for the year ended 31 December 2022. The report of the Directors, the accounts, the report of the Compensation Committee and the report of the Company’s auditors on the accounts, are contained within the 2022 Annual Report and Accounts.

RESOLUTION 2: DECLARATION OF FINAL DIVIDEND
The amount of the final dividend recommended by the Directors is 24.4 pence per ordinary share to be paid on 7 July 2023 to the shareholders on the register at the close of business on 9 June 2023. Final dividends must be approved by shareholders but must not exceed the amount recommended by the Directors.
RESOLUTION 3: COMPENSATION COMMITTEE REPORT
Resolution 3 proposes the approval of the Compensation Committee report by shareholders.

The report, which is made on behalf of the full Board, explains the different elements which comprised executive compensation in 2022, including how base salaries and short-term and long-term incentive compensation were determined for Executive Directors of the Company and for Senior Executives of the Company and Group operating companies. Payments made to the Non-Executive Directors, as well as details of their shareholdings in the Company, are also set out in the Compensation Committee report. In addition, the Company’s executive share ownership policy, the utilisation of the share incentive plans and the provision of other benefits are explained. The vote on this resolution is advisory in nature. Accordingly, payments made or promised to the Directors will not have to be repaid, reduced or withheld in the event that this resolution is not passed.

RESOLUTION 4: DIRECTORS COMPENSATION POLICY
Resolution 4 proposes the approval of the Directors Compensation Policy by shareholders.

The policy is included in the Compensation Committee report in the 2022 Annual Report and Accounts. The vote on the Directors Compensation Policy is a binding vote if approved, will take effect from the date of the Meeting. A new Directors Compensation Policy will be put to shareholders again no later than the Company's AGM in 2026.

RESOLUTIONS 5 TO 15: ELECTION AND RE-ELECTION OF DIRECTORS
In accordance with the Company’s Articles of Association and the recommendation of the 2018 UK Corporate Governance Code, all Directors in office as at the selection date (as defined in the Company’s Articles of Association) will retire from office at the AGM and all will stand for election or re-election by the shareholders. Each of the Directors bring a wide range of skills, experience and knowledge to the Board which supports the Company’s strategy. The core areas of expertise include financial services and finance, fast moving consumer goods, pharma, mergers and acquisitions, corporate governance, transformation, marketing, technology and environmental, social and governance matters. The individual and combined expertise and backgrounds of each Director makes a significant contribution to the functioning of the Board and its Committees and the long-term sustainable success of the Company.

Following the annual evaluation exercise conducted during 2022, the Board considers that each of the Directors standing for re-election continues to make an effective and valuable contribution to the Company and demonstrates commitment to their role. The Board is content that each Non-Executive Director offering himself or herself for re-election is independent in character and that there are no relationships or circumstances likely to affect his or her character or judgement. Accordingly, on the recommendation of the Nomination and Governance Committee, the Board unanimously recommends that all Directors standing for re-election continue to serve as Directors of the Company and that the Director standing for election be confirmed to post.

RESOLUTIONS 16 AND 17: RE-APPOINTMENT OF AUDITORS

The auditors of the Company must be appointed at each Annual General Meeting. Resolution 16 proposes the re-appointment of Deloitte LLP, to hold office until the conclusion of the next Annual General Meeting to be held in 2024.

On the recommendation of the Audit Committee, the Board proposes that Deloitte be reappointed as the Company’s auditor.

The Audit Committee has confirmed to the Board that its recommendation is free from third party influence and that no restrictive contractual provisions have been imposed on the Company limiting the choice of auditor. Deloitte have indicated their willingness to continue in office.

Resolution 17 gives authority to the Audit Committee to determine the auditor’s remuneration. In line with the Code, the Audit Committee considers and approves audit fees. Details of the remuneration paid to the auditor for the year ended 31 December 2022 (including non-audit fees) are set out on page 126 of the Annual Report.

RESOLUTION 18: AUTHORITY TO ALLOT SHARES

Resolution 18 proposes to seek renewal of the authority given to the Directors to allot ordinary shares. The £71,395,823 nominal amount of relevant securities to which this authority will relate represents approximately 66.6% of the nominal amount of the issued ordinary share capital of the Company as at 16 March 2023 (excluding treasury shares). This amount complies with guidelines issued by the Investment Association. In accordance with the Investment Association guidelines, one-third of the Company’s issued ordinary share capital (excluding treasury shares) as at 16 March 2023 will be applied (if at all) to fully pre-emptive rights issues only. The Directors are aware of the latest Share Capital Management Guidelines published by the Investment Association in February 2023, which update the previous guidance to allow this authority to incorporate all fully pre-emptive offers, not just fully pre-emptive rights issues. The Directors have decided that they will propose limiting the relevant limb of the allotment authority to rights issues in line with past practice but will keep emerging market practice under review. As at the date of this Notice, the Company holds 70,489,953 treasury shares which represent approximately 6.6% of the total ordinary share capital in issue (excluding treasury shares) as at 16 March 2023. Except pursuant to the employee share schemes and the satisfaction of deferred consideration under certain acquisition agreements to which the Company is a party, the Directors have no present intention of allotting ordinary shares. The authorities conferred pursuant to resolutions 18 and 19 to 21 will expire on the date of the Annual General Meeting in 2024 or 17 August 2024, whichever is earlier.

RESOLUTION 19: AUTHORITY TO PURCHASE OWN SHARES

In certain circumstances, it may be advantageous for the Company to purchase its own ordinary shares and resolution 19 seeks authority from shareholders to authorise the Directors to make such purchases in the market.

The Directors consider it desirable for this general authority to be available to provide additional flexibility in the management of the Company’s capital resources. The Directors intend to implement the authority only when, in light of market conditions prevailing at the time, they believe that the effect of any such purchases will enhance earnings per share in the medium to long-term and will be in the best interests of the Company generally. Any ordinary shares purchased under this authority would ordinarily be cancelled and the number of ordinary shares in issue will be reduced accordingly, though the Company has the option to hold them as treasury shares. The purchase price will be paid out of distributable profits.
The total number of warrants and options to subscribe for ordinary shares that are outstanding as at 16 March 2023 is 22,296,600. The proportion of issued share capital that they represented at that time was 2.1% (excluding treasury shares) and the proportion of issued share capital that they will represent if the full authority to buy back ordinary shares (existing and being sought) is used and if the ordinary shares bought back are cancelled, will be 2.3% (excluding treasury shares).

Resolution 19 specifies the maximum number of ordinary shares which may be purchased (representing approximately 10% of the Company’s issued ordinary share capital as at 16 March 2023, excluding treasury shares) and the minimum and maximum prices at which they may be bought, reflecting the requirements of the UK Listing Rules.

**RESOLUTIONS 20 AND 21: DISAPPLICATION OF PRE-EMPTION RIGHTS**

The authority being sought in resolutions 20 and 21 to allot shares without first offering them to existing shareholders enables the Company to raise capital quickly and easily when needed. This is in line with institutional shareholder guidance, and in particular with the Pre-emption Group’s revised statement of principles for the disapplication of pre-emption rights published in November 2022 (the Statement of Principles).

The authority granted in resolution 20 would be limited to:

(a) allotments or sales in connection with pre-emptive offers and offers to holders of other equity securities if required by the rights of those securities, or as the board otherwise considers necessary;

(b) otherwise, allotments or sales up to an aggregate nominal amount of £5,354,687 (representing approximately 5% of the issued ordinary share capital of the Company (excluding treasury shares) as at 16 March 2023, the latest practicable date prior to publication of this Notice.

Resolution 21 is intended to give the Company flexibility to make non-pre-emptive issues of ordinary shares in connection with acquisitions and other capital investments as contemplated by the Statement of Principles. The power under resolution 21 is in addition to that proposed by resolution 20 and would be limited to allotments or sales of up to an aggregate nominal amount of £5,354,687 (representing an additional 5% of the issued ordinary share capital of the Company (excluding treasury shares) as at 16 March 2023, the latest practicable date prior to publication of this Notice.

The Directors confirm that there are presently no plans to allot ordinary shares wholly for cash other than pursuant to the employee share schemes and the satisfaction of deferred consideration under certain acquisition agreements. Shares allotted under an employee share scheme are not subject to the pre-emption rights.

The authority being sought in resolutions 20 and 21 is intended to give the Company flexibility to make non-pre-emptive issues of ordinary shares in connection with acquisitions and other capital investments as contemplated by the Statement of Principles. The power under resolution 21 is in addition to that proposed by resolution 20 and would be limited to allotments or sales of up to an aggregate nominal amount of £5,354,687 (representing an additional 5% of the issued ordinary share capital of the Company (excluding treasury shares) as at 16 March 2023, the latest practicable date prior to publication of this Notice.

For this purpose, an acquisition or specified capital investment means one that is announced contemporaneously with the issue of share capital, or that has taken place in the preceding 12-month period and is disclosed in the announcement of the issue.

Whilst, at this time, the Directors have not proposed the adoption of the increased limits of 10% set out in the Pre-Emption Group’s most recent Statement of Principles for the purposes of resolutions 18 and 19, nor are they proposing to provide specifically for follow-on offers, they intend to keep emerging market practice under review.

If the powers sought by resolutions 20 and 21 are used in relation to a non-pre-emptive offer, the Directors confirm their intention to have regard to the shareholder protections in Part 2B of the Statement of Principles. While the resolutions do not specifically provide for follow-on offers, where relevant, the Directors confirm their intention to follow the expected features of a follow-on offer as set out in paragraph 3 of Part 2B of the Statement of Principles.
1. The AGM is an important event in the calendar for the Company and our shareholders. Following the success of previous meetings, we will again be offering shareholders the opportunity to follow the business of the AGM via a live webcast. This will allow shareholders to watch the presentations and ask questions during the Meeting, as they would if they were attending in person. Further details on how you can join us virtually and ask questions are set out on page 19 of this Notice.

In person admission is from 10.15am and light refreshments will be served after the Meeting.

Please note, if you are unable to attend the AGM on the day to vote in person, you are strongly encouraged to lodge a vote by proxy ahead of the Meeting.

2. Only shareholders whose names appear on the register of members of the Company at 8.00pm on 15 May 2023 shall be entitled to vote at the AGM in person or by proxy and the number of ordinary shares then registered in their respective names shall determine the number of votes such persons are entitled to cast at the Meeting.

3. A shareholder entitled to vote at the Meeting may appoint one or more proxies to vote instead of him or her. A shareholder may appoint more than one proxy in relation to the Meeting provided that each proxy is appointed to exercise rights attached to a different share or shares held by him or her. A proxy need not be a shareholder of the Company. A proxy form (Form of Proxy) to appoint a proxy and give proxy instructions accompanies this Notice (if you received this Notice in the post) or see paragraph 5 to appoint your proxy and submit instructions online.

4. To be valid, the Form of Proxy for use at the Meeting and power of attorney or other authority, if any, under which it is signed or a notarially certified or office copy of such power or authority, must be received at the offices of Computershare Investor Services plc, The Pavilions, Bridgwater Road, Bristol BS99 6ZY, by 11.00am on Monday 15 May 2023. Completion and return of the Form of Proxy will not prevent you from attending and voting at the Meeting instead of your proxy, if you wish to do so.

5. As an alternative to completing and returning the printed Form of Proxy, you may appoint your proxy and submit instructions online by 11.00am on Monday 15 May 2023, by accessing the Company’s website, wpp.com/investors/shareholder-centre/shareholder-meetings.

For security purposes, shareholders will need to provide their shareholder reference number (SRN), control number and personal identification number (PIN) to validate the submission of their proxy online. Shareholders’ individual SRNs and PINs are shown on the printed Form of Proxy or email sent to them.

6. A person to whom this Notice is sent who is a person nominated to enjoy information rights (a Nominated Person) may, under an agreement between him/her and the shareholder by whom he/she was nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the AGM. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he/she may, under any such agreement, have a right to give instructions to the shareholder as to the exercise of voting rights. The statements of the rights of shareholders in relation to the appointment of proxies in paragraphs 3, 4 and 5 above and paragraph 7 below do not apply to a Nominated Person. The rights described in these paragraphs can only be exercised by registered members of the Company.

WPP NOTICE OF 2023 AGM
7. CREST members who wish to appoint a proxy or proxies by utilising the CREST electronic proxy appointment service may do so for the Meeting and any adjournment(s) thereof by utilising the procedures described in the CREST Manual, which is available on the Euroclear website. CREST personal members or other CREST sponsored members and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment made by means of CREST to be valid, the appropriate CREST message (a CREST Proxy Instruction) must be properly authenticated in accordance with Euroclear’s specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, whether it constitutes the appointment of the proxy or an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer’s agents, Computershare Investor Services plc (ID3RA50), by no later than 11.00am on Monday 15 May 2023. For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST application’s host) from which the issuer’s agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any amendment to the instruction given to a proxy appointed through CREST should be communicated to the proxy through other means.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear does not make available special procedures in CREST for any particular messages. Normal system timing and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s) to procure that their CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timing.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Article 34 of the Companies (Uncertificated Securities) (Jersey) Order 1999.

8. If more than one of the joint holders of a share tenders a vote on the same resolution, whether in person or by proxy, the vote of the senior who tenders a vote shall be accepted to the exclusion of the vote(s) of the other joint holder(s); and for this purpose seniority shall be determined by the order in which the names stand in the register in respect of the relevant share.
9. Any shareholder attending the AGM has the right to ask questions. There are three ways that shareholders can ask questions, either in advance, or at the Meeting:

1. pre-submitted questions by emailing them to WPPAGM@wpp.com by 8.00pm on 15 May 2023;

2. during the Meeting via the live webcast.
   For instructions on how to submit a question via the live webcast please see page 19 and;

3. in person at the Meeting.

To enable the Board to answer as many shareholder questions as possible, we encourage you to submit questions in advance and we will endeavour to respond to all questions emailed in advance at the Meeting.

Answers to common questions submitted in advance by email and a transcript of all the questions asked and answered during the AGM will be published on our website at wpp.com/investors following the conclusion of the AGM.

Following the Meeting, shareholders will be able to access details of the business conducted at the AGM (including responses to questions and any presentation materials) on our website: wpp.com/investors. The Chair of the Meeting will ensure that any question relating to the business being dealt with at the AGM receives a response, but no response shall be given if: (i) to do so would interfere unduly with the business of the Meeting or involve the disclosure of confidential information; (ii) the answer has already been given on the Company’s website, wpp.com, in the form of an answer to a question; or (iii) the Chair of the Meeting determines that it is undesirable in the interests of the Company or the good order of the AGM that the question be answered. Please also be advised that unacceptable behaviour – including in relation to language, disruption to the Meeting and line of questioning adopted during Q&A sessions, will not be tolerated at the Meeting and will be dealt with accordingly by the Chair of the Meeting.

SHAREHOLDER SECURITY
We are aware that some of our shareholders have received unsolicited and suspicious phone calls or mail from purported ‘brokers’ who offer to buy their shares at a price far in excess of their market value. It is unlikely that firms authorised by the Financial Conduct Authority (FCA) will contact you with offers like this. As such, we believe these calls are part of a scam, commonly referred to as a ‘boiler room’. The callers obtain your details from publicly available sources of information, including the Company’s share register. The callers can be very persistent and persuasive and it is not just the novice investor that has been tricked in this way.

Shareholders are advised to be very wary of any unsolicited advice, offers to buy shares at a discount, sell shares at a premium, incentives to participate in ‘green’ or carbon reduction projects, offers of free company reports or requests to complete confidentiality agreements with the caller. Check the firm on the FS register at www.fca.org.uk/register. The Financial Services Register is a public record of all the firms and individuals in the financial services industry that are regulated by the Financial Conduct Authority (FCA).

If you suspect that you have been approached by fraudsters, please tell the FCA using the share fraud reporting form at www.fca.org.uk/scams, where you can find out more about investment scams. You can also call the FCA Consumer Helpline on 0800 111 6788 (freephone) or 0300 500 8082 (from the UK) or +44 207 066 1000 (from abroad).

If you have lost money to investment fraud, you should report it to Action Fraud on 0300 123 2040 (from the UK) or +44 300 123 2040 (from abroad) or online at www.actionfraud.police.uk.

Further information and guidance is available from the Company’s registrars, Computershare on +44 (0)370 707 1411 or via their website: investorcentre.co.uk/je/contactus.
